Sir:

This communication is in response to the Office Action mailed December 26, 2007 concerning the above-referenced patent application, which noted that the amendments previously submitted October 11, 2007 were deemed non-compliant in view of certain unclear markings in claim 44. A revised listing of claims is provided herein, to replace the previous listing. The arguments previously submitted October 11, 2007 are still relevant and should be considered in connection with the revised claim listing provided herein.

Amendments are set forth in pages 2-25
